

Karl Schweikert Attorney

Not many people can claim to be a pilot, much less a CFO and attorney. However, Karl Schweikert has transformed his diverse experiences and natural problem-solving skills into an informed law practice that focuses on litigation, aviation and airport land use, governmental relations, and administrative law.

Prior to launching his legal career, Karl spent 14 years working for Silicon Valley start-ups in marketing and finance, as well as 8 years as a professional pilot. Karl then received his Juris Doctor from the University of the Pacific, McGeorge School of Law with great distinction. While in school, he served as President of the McGeorge Health Law Association and was admitted to several honors societies, including the Order of the Coif. He additionally worked as a summer associate at DLA Piper and interned with Judge Ronald Sargis in the Eastern District of California Bankruptcy Court.

Since joining Churchwell White, Karl has been able to combine his love for aviation and his talents for communication and problem solving. As an AOPA

Panel Attorney and member of the ABA Forum on Air and Space Law, as well as a member of the Healthcare and Business sections of the Sacramento County Bar Association, Karl has gained favorable rulings for a number of professional boards and worked on several issues regarding aviation and airport land use.

And if Karl's other titles are not enough, he can also add lifeguard, college athlete, springboard diver, and school board trustee to his name.

If not a lawyer... a professor teaching law, business, or flying. I enjoy helping others learn complex concepts.

Projects
